

## Skiathos

A dream island in the Aegean Sea for holidays and hiking!

**Skiathos offers more than summer, sun, beaches and the sea! Of all the islands in the Northern Aegean Sea, only Skiathos offers:**

### **25 well marked hiking paths... in total 197 Km!**

- from easy hikes to medium difficult ones
- from 1 to 6 hours walking time
- through fascinating nature, with wonderful panoramic views of the Aegean, the surrounding islands and the mainland
- για πορείες διάρκειας από 1 μέχρι 6 ώρες
- romantic picnic spots
- historic sites of Skiathos island
- guided hiking available
- routes for mountainbiking
- walking on the trails of Papdiamantis and Moraitidis

*Hikers, obtain the "Papdiamantis Hiker's Medal"! Each hiking trail has a special code, which you can make a note of. Whoever can show evidence of 12 hiking trails, will receive a gift and a certificate from the Community of Skiathos. Whoever can show evidence of all 25 hiking trails, will in addition, also receive a certificate and the "Papdiamantis Wanderer's Medal"*

*New in Skiathos...Geocaching ( look at [www.geocaching.com](http://www.geocaching.com) and [www.geocaching.de](http://www.geocaching.de))*

*For this purpose a special book is at your disposal:  
Island and Hiking Guide of Skiathos with 25 routes and maps. Herein all the hiking paths are marked and described in detail, with maps and the special information for the island Skiathos.*
